

BRICKHOUSE LANDING

LOT RESERVATION

A \$1,000.00 deposit reserves your lot for thirty (30) days

FORD REAL ESTATE will hold your check in escrow during this period.

Your deposit is fully refundable:

1. Subject to review and approval of lot within thirty day time period.
2. If pricing on houses is prohibitive due to rising construction costs.
3. If life changes take place prior to writing a construction contract which would make consummation unfeasible.

During this thirty day period your lot will be reserved exclusively for you and not offered for sale. This will allow you time to meet with our sales agent to discuss your home and prepare a purchase agreement.

Construction slots will be filled in the order that lots are paid for in full.
